However, they may walk in couples if so desired. **If Procession will be in a different order than above, indicate order in parenthesis.**

Bride can be escorted by parents halfway to the altar (bride takes father's right arm). Parents continue to the altar. Bride waits at halfway point for groom who proceeds to meet her and escort her to the altar.

Bride's parents, bridesmaids, maid/matron of honor stand to the right on the altar (facing clergy). Groom's parents, ushers best man stand to the left. Grandparents are usually seated in the first row. Ceremony lasts 20 to 30 minutes. Anyone unable to stand for this period is seated in the first row.
